Welcome Back!

We would like to take this opportunity to thank you for choosing Carillon Music, and remind you about our referral credit. If you have any questions please call our front desk.

Get Back in the Musical Mood!

1. Warm-up: begin with scales and arpeggios to become acquainted with the touch of the piano and to prepare your fingers for movement
2. Start slow: begin with slow movements and easy songs to ease yourself back into playing; when you become more comfortable, slowly build up to more challenging music.
3. Play a lot to build up your musical strength and endurance
4. Finally, HAVE FUN!

Joke Central
